# DuPagePads

The Solution to End Homelessness.

## Supportive Housing Program

## What Does Supportive Housing Offer?

- Subsidized housing for individuals, families, and veterans who have been homeless and meet eligibility
- Case management and 24 hour crisis intervention
- Support with children's concerns and parenting issues
- Community referrals and information regarding mental health, addiction and physical illness
- Access to public benefit applications and supports
- Assistance to participate in volunteer, education or employment activities
- Support to join local community groups and organizations

## What Are Supportive Housing Apartments?

- One or two bedroom apartments located within DuPage County
- Furnished and move in ready
- Accessible to public transportation
- Handicap accessible if appropriate

## Criteria required to be a resident of Supportive Housing

- A permanent documented disability due to a physical or mental condition or addiction
- Documented homelessness of one current year or longer or four separate episodes within the past three years
- The ability to live independently in the community without medical supervision
- Willingness to pay 30% of income towards rent

Ending homelessness one journey at a time.
